6) The Village Panchayat of Kadakola in Mysore Taluk is said to have 'informally' acquired a site in the Village for purposes of a road. The Panchayat says that the land was in actual poss^n of one Subbayya. ~~that~~ One Vishavantachar however has raised a takarar and has now given notice of suit against Govt under Sec 80 C.P.C for taking his property without notice to him -

7) The D.C was enquired as to whether the ~~Land~~ land in question was acquired under the L.A Regn or by private negotiation by the V. Panchayat - In the P.U.D he reiterates that it was informally acquired by the V.P.. If this is to mean that it is by private negotiations that the Panchayat has taken this land, then Govt is not in any way liable even if Vishavantachar's title to the land is proved He has to sue only the Panchayat which under law is a Corporation
